»»» DA PORTARE SEMPRE NELLO ZAINO. La collezione Hiking di K-Way, ispirata alle escursioni in montagna e alle attività all'aria aperta, è il giusto compagno di avventure per completare il dress code tecnico necessario per il trekking d'alta quota. Con una buona resistenza all'acqua e al vento, questi capi unisex realizzati in tessuto ripstop tinto filo sono caratterizzati da stampe grafiche, come la giacca Cleon graphic, oppure la Cleon nylon, entrambe leggerissime e ripiegabili.
