**The Foolproof Foundation: Cle de Peau Beaute Radiant Cushion Foundation, \$131  
Shu Uemura Lightbulb Cushion Foundation, \$78, or Chanel Vitalumiere Foundation, \$9**

What do all of these have in common? The shared claim of imparting a radiant, luminous glow. Whether you prefer using cushion makeup or the traditional liquid formulation, each one holds light-reflecting properties (Shu Uemura even has Japanese rice to prevent dullness) to brighten complexions. Also included is a slew of hydrating ingredients to keep skin moisturised (Cle de Peau Beaute Hydrating Essence Complex, for example, seals in moisture and prevents dryness) and provide natural-looking coverage
